1. Please list any budget/accounting/finance training materials and/or courses that you have developed and used in the last three to five years.

Title

Format (manual, cd-rom, etc.)

Please see attached

2. What budget/finance/accounting training do you feel are your biggest needs?

At this time, our focus includes financial analysis, forecasting, and electronic commerce/business. Besides training our staff on these subjects, we also have a need to keep them up-to-date on the tools that will aid them in making decisions in these areas (i.e. Microsoft Excel, Microsoft Access, etc.).

3. Have you used any outside sources for financial training? If so, please list any financial management training courses (budgeting, accounting, etc.) you would recommend to others in the DOE financial community. (Also include any non-finance classes that you found to be very good!)
